THE  
maker's  
COLLECTION

# Finca

A Creative Heritage

# 01

 The Maker's Collection draws on the Heritage of the Dudson brand and creative ceramic crafts. Finca is a multi-tonal print that mimics the worn textures of rustic interiors and architectural designs. Crafted and creative, Finca is finished in a semi-matte, hand dipped glaze, enhancing the character of the collection and leaving original 'makers marks' on the reverse of each piece. Decorated in-glaze for industrial purpose, The Maker's Collection is designed for professional use.

 La colección Maker's Collection se basa en el legado de la marca Dudson y en la artesanía cerámica creativa. Finca es un estampado multicolor que imita las texturas gastadas de interiores rústicos y diseños arquitectónicos. Un diseño creativo, Finca tiene un acabado en un esmalte semimate, sumergido a mano, que realza el carácter de la colección y deja "marcas originales" en el reverso de cada pieza. Decorada con esmalte para resistencia industrial, la colección Maker's Collection está diseñada para uso profesional.

 Die Maker's Collection bewahrt das Erbe der Marke Dudson und des kreativen Töpferhandwerks. Finca ist ein mehrfarbiger Druck, der die aufgeriebenen Strukturen alter Industriehallen und deren architektonischen Besonderheiten nachahmt. Finca ist handwerklich und kreativ und wird mit einer halb-matten, von Hand getauchten Glasur veredelt, die den Charakter der Kollektion unterstreicht. Auf der Unterseite jedes Artikels sind die Spuren eines von Hand gefertigten Geschirrs bewusst sichtbar belassen, um genau diesen Charakter zu bewahren. Die ganze The Maker's Collection ist für den Gebrauch in der Gastronomie konzipiert und mit einer Glasur versehen, die für höchste Widerstandsfähigkeit sorgt.

 La Maker's Collection attinge al patrimonio del marchio Dudson e all'artigianato creativo. Finca è una stampa multi-tono che imita le trame consumate di interni rustici e disegni architettonici. Realizzato e creativo, Finca è rifinito con uno smalto semi-opaco, immerso a mano, esalta il carattere della collezione e lascia segni originali 'maker' sul retro di ogni pezzo. Decorata con smalto per uso industriale, la collezione Maker è progettata per un uso professionale.

 The Maker's Collection s'appuie sur le patrimoine de la marque Dudson et sur la créativité de l'artisanat. Finca est un motif multicolore qui imite les textures des intérieurs rustiques et des conceptions architecturales. Artisanal et créatif, Finca est protégé par une émail semi-mat, trempé à la main, mettant en valeur le charme de la collection. Le tampon de la marque du fabricant figure au verso de chaque création. Décorée sous émail pour une résistance optimale, The Maker's Collection est conçue pour un usage professionnel.

# Harvest

Handcrafted & Authentic

New Colour for Autumn 2023

# 05

Harvest's genuine hand finished pieces reflect the 'farm-to-table' philosophy so popular in today's dining out culture. Every piece is individually glazed by hand leaving an original 'makers mark' on the reverse, highlighting the handcrafted nature. All pieces also feature a hand finished sponged rim, which naturally drips to create a unique piece. Individuality does not come at the expense of quality. Harvest products are made in England using the Dudson Finest Vitrified ceramic body. From casual to fine dining restaurants and everything in between, Harvest's industrial toughness stands up to everyday use in a professional kitchen environment. Autumn 23 introduces Harvest Indigo, a fresh blue tone, perfect for mixing with the existing Harvest colourways to create a rustic colour palette.

Las piezas genuinas terminadas a mano de Harvest reflejan la filosofía "de la granja a la mesa" tan popular en la cultura actual de salir a cenar. Cada pieza está esmaltada individualmente a mano, dejando una "marca original" en el reverso, resaltando la naturaleza artesanal. Todas las piezas también cuentan con un borde acabado a mano, que naturalmente gotea para crear una pieza única. La individualidad no se obtiene a expensas de la calidad. Los productos Harvest se fabrican en Inglaterra utilizando el cuerpo cerámico vitrificado Finest de Dudson. Desde restaurantes informales hasta elegantes y todo lo demás, la dureza industrial de Harvest resiste el uso diario en un entorno de cocina profesional. Autumn 23 presenta Harvest Indigo, un tono azul fresco, perfecto para mezclar con las combinaciones de colores Harvest existentes y crear una paleta de colores rústica.

Die echten, handgefertigten Stücke von Harvest spiegeln den Trend "Vom Bauernhof auf den Tisch" wider, der in der heutigen Gastro-Kultur so beliebt ist. Jedes Stück wird einzeln von Hand glasiert und hinterlässt auf der Unterseite gewollte Spuren der Fertigung, die den handwerklichen Charakter unterstreicht. Alle Stücke sind außerdem mit einem von Hand aufgetragenen Rand gemalt, der auf natürliche Weise verläuft und tropft, so dass jedes Teil ein Unikat ist. Individualität geht nicht auf Kosten der Qualität, denn Harvest-Produkte werden in England aus Dudson Finest Vitrified Rohstoff hergestellt. Ob in der Freizeitgastronomie oder in der gehobenen Gastronomie - die industrielle Robustheit von Harvest hält dem alltäglichen Gebrauch in einem hochfrequentierten Gastronomiebetrieb stand. In diesem Herbst stellen wir Harvest Indigo vor, einen frischen Blauton, der sich perfekt zum Mischen mit den bestehenden Harvest-Farben eignet, um die rustikale Farbpalette abzurunden.

I pezzi rifiniti veramente a mano Harvest rispecchiano la filosofia "dalla fabbrica alla tavola" così comune nella cultura del pasto fuori casa di oggi. Ogni pezzo è singolarmente smaltato a mano lasciando un "makers mark" originale sul fondo, per sottolineare la natura del fatto a mano. Tutti i pezzi presentano anche un bordo rifinito a mano, il quale sgocciola naturalmente per creare un pezzo unico. L'unicità non va a scapito della qualità. Gli articoli Harvest sono prodotti in Inghilterra usando il corpo ceramico Dudson Finest Vitrified. Dai ristoranti informali a quelli raffinati e tutto il resto, la robustezza industriale Harvest regge l'uso quotidiano delle cucine degli ambienti professionali. Autumn 23 introduce Harvest Indigo, un tono blu fresco, perfetto da mixare con le colorazioni Harvest esistenti per creare una tavolozza di colori rustica.

Les assiettes finies à la main de la gamme Harvest reflètent la philosophie « Terroir » si populaire dans la culture gastronomique d'aujourd'hui. Chaque pièce est émaillée individuellement à la main, et la « marque originale » de la gamme est tamponnée au verso. L'origine artisanale est ainsi mise en évidence. Les assiettes disposent également d'une tranche époncée finie à la main où l'émail s'égoutte naturellement pour donner un aspect original. L'originalité ne se fait pas au détriment de la qualité. Les assiettes Harvest sont fabriquées en Angleterre en céramique vitrifiée raffinée de chez Dudson. De la gastronomie simple à sophistiquée, la résistance mécanique et thermique de la gamme Harvest permet une utilisation quotidienne et intensive dans tous les établissements de restauration. Autumn 23 introduit Harvest Indigo, un ton bleu frais, idéal pour être mixé avec les coloris Harvest existants afin de créer une palette de couleurs authentique.

# Terrazzo

Decorative & Abstract

# 11

Terrazzo is inspired by the Italian decorative technique of combining fragments of marble and glass to create a speckled abstract pattern. Popular in the 1970's, the use of Terrazzo has made a comeback in the hospitality interiors of today. The conceptual, fragmented pattern is available in Green and Blue, adding a splash of retro revival colour to any tabletop. A colourful range, Terrazzo heightens the presentation of casual food styles, from street food to sharing plates and gastro bars. Reactive texture within the print produces a variance in effect and colour, so every piece retains individual character. Manufactured in the Dudson Finest Vitrified ceramic body, Terrazzo's industrial toughness stands up to everyday use in a professional kitchen environment.

Terrazzo está inspirado en la técnica decorativa italiana de combinar fragmentos de mármol y vidrio para crear un diseño abstracto moteado. Popular en la década de 1970, el uso de Terrazzo ha vuelto a los interiores de la hostelería de hoy. El diseño conceptual fragmentado está disponible en verde y azul, agregando un toque de color retro revival a cualquier mesa. Terrazzo, una gama colorida, realza la presentación de estilos de comida informal, desde comida callejera hasta platos para compartir y bares gastronómicos. La textura reactiva dentro de la impresión produce una variación en el efecto y el color, por lo que cada pieza conserva el carácter individual. Fabricado con el cuerpo cerámico vitrificado Dudson Finest, la dureza industrial de Terrazzo resiste el uso diario en un entorno de cocina profesional.

Terrazzo ist von einer italienischen Dekorationstechnik inspiriert, bei der Fragmente von Marmor und Glas zu einem gesprenkelten abstrakten Muster kombiniert werden. In den 1970er Jahren populär, hat die Verwendung von Terrazzo in den Innenräumen der heutigen Gastronomie ein Comeback erlebt. Das konzeptuelle, fragmentierte Muster ist in Grün und Blau erhältlich und verleiht jedem gedeckten Tisch einen Farbtupfer Retro. Terrazzo ist eine farbenfrohe Produktreihe für Präsentationen legerer Essstile, von Street Food über Food Sharing bis Bistros und Pub-Gastronomie. Die reaktive Struktur innerhalb des Drucks von Terrazzo erzeugt eine Varianz in Effekt und Farbe, so dass jedes Stück seinen individuellen Charakter bewahrt. Hergestellt aus Dudson Finest Vitrified Scherben, hält Terrazzo den hohen Belastungen der heutigen Gastronomie stand.

Terrazzo si ispira alla tecnica decorativa italiana di combinare frammenti di marmo e vetro per creare un motivo astratto maculato. Popolare negli anni '70, l'uso del Terrazzo è tornato alla ribalta negli interni dell'ospitalità di oggi. Il motivo concettuale e frammentato è disponibile in verde e blu, aggiungendo un tocco di colore revival retrò a qualsiasi tavola. Una gamma colorata, Terrazzo esalta la presentazione di stili alimentari casual, dallo street food alla condivisione di piatti e gastro bar. La trama reattiva all'interno della stampa produce una variazione nell'effetto e nel colore, quindi ogni pezzo conserva un carattere individuale. Prodotto nel corpo in ceramica vetrificata Dudson Finest, la consistenza industriale di Terrazzo resiste all'uso quotidiano in un ambiente di cucina professionale.

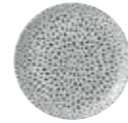

Terrazzo s'inspire de la technique de décoration italienne qui consiste à combiner des fragments de marbre et de verre pour créer un motif abstrait moucheaté. Populaire dans les années 1970, l'utilisation de Terrazzo a fait son retour dans la décoration contemporaine. Le motif conceptuel et fragmenté est disponible en vert et en bleu, ajoutant une touche de couleur rétro-révolutionnaire à tous les dressages sur table. Une gamme colorée, Terrazzo sublime tous les dressages : de l'assiette bistro à l'assiette à partager. La texture réactive de l'impression produit une variation d'effets et de couleur, de sorte que chaque pièce conserve son caractère individuel. Fabriqué dans le corps en céramique Dudson Finest Vitrified, Terrazzo a la performance industrielle nécessaire pour résister à un usage intensif et quotidien en cuisine professionnelle.
